

**Preferred Systems, Inc.**

Providing Continuing Education & Training That Works

## POSITIVE ACTION

### **PROGRAM OVERVIEW**

Positive Action is a systematic educational program that promotes an intrinsic interest in learning and encourages cooperation among students. It works by teaching and reinforcing the intuitive philosophy that you feel good about yourself when you do positive actions.

The effects of the program range from increased academic achievement to dramatic reductions in problem behaviors. These results have been replicated in diverse settings and feature the most rigorous efficacy study designs available.
